

RECALL is our top brand for 5-star hotels and resorts.

Hotels or Resorts who might wish to use this brand need to be aware that this brand mainly manages properties with a **SOLID CONCEPT** (design, charms, services, guest experiences and memories) focusing on local culture or similar.

Check out just some pictures of hotels and resort conceptual designed and managed by our former company 'Andacura Hotels' which did fall victim to COVID-19. We re-invented and now we are known as RECALL Hotels & Resorts.

NOOK-DEE CONCEPT RESORT

Nook-Dee has been one very successful creation build at Kata Beach, Phuket.

The design concept and service concept has been developed by our own Consulting Business and we worked very close with the architect to achieve the best possible product for the budget available.

We did manage until it was sold to Kata Group in mid-2020 because of owner family problem and COVID-19.

The core concept was focus on the everyday life of Thai people, its charms and culture.

RECALL ISAAN-ISAN CONCEPT RESORT

Recall Isaan-Isan is another very successful creation build close to Khao Yai National Park.

The design concept and service concept has also been developed by our own Mai-BS Consulting Business and as usual we worked very close with the architect to achieve the best possible product for the budget available.

The founders of RECALL do manage the property since its opening with great success.

The core concept is on the everyday life of Isaan (E-sarn) people, the charms and grace of the people, food, memories and experiences.

IN THE PIPELINE:

RECALL Taunggyi (Shan State Myanmar) – *almost ready, but on hold because of the civil war.*

RECALL Taunggyi is another very successful creation in development at famous Taunggyui City (1,300 meters above sea level) at Shan State, Myanmar.

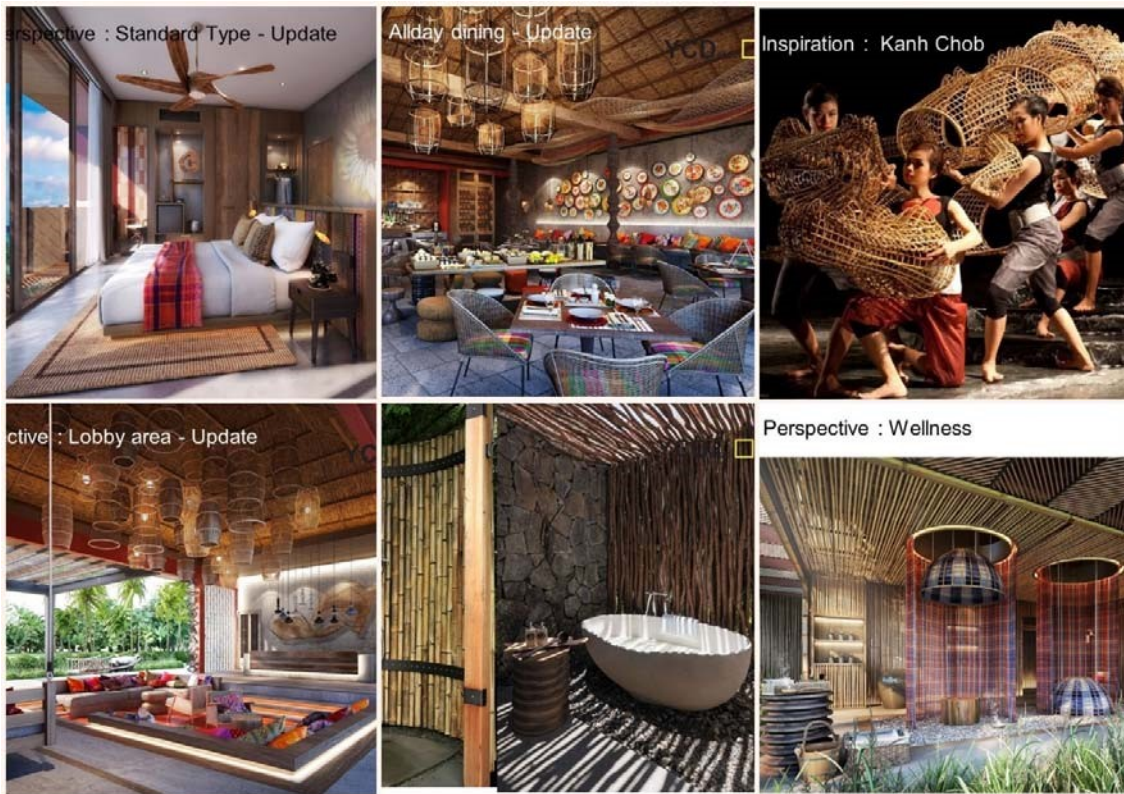

The design concept and service concept has also been developed by our own Consulting Business and as usual we worked very close with the architect to achieve the best possible product for the budget available.

RECALL is not sure if we will manage this property as well as the civil war and political problems created a obstacle.

The core concept is on the everyday life of SHAN people, the charms and grace of the people, food, memories and experiences. Shan State and its culture also represents a part of history for Thai people.

IN THE PIPELINE:

RECALL TRAT (close to Cambodian Border, Beachfront) – *Contract signed but on hold because of the Covid-19*

RECALL Trat is another very successful creation for Trat Province, close to the Cambodian border.

The design concept and service concept has also been developed by our own Consulting Business and as usual we worked very close with the architect to achieve the best possible product for the budget available.

The core concept is on the everyday life of Cambodian people, the charms and grace of the people, food, memories and experiences. This area of Trat Province has a strong influence of Cambodia and we like to let you discover the best of its culture and charms.
