

Best Price Guarantee Terms and Conditions

Best Price Guarantee Recall properties and its brand are committed to providing the best guest room prices for the hotel (the "Best Price Guarantee"). The "Recall Website" refers to websites owned or operated by or on behalf of Recall, bearing the logo and branding of Recall Hotels & Resorts and Brands.

Competing Price In the unlikely event that a lower price is available on a non-Recall website (the "Competing Price"), Recall will honor that competing price upon receipt of a claim that satisfies these Best Price Guarantee terms and conditions (the "BPG Terms"). Recall will provide the individual who submitted the valid claim with one of the following options:

1. An additional 5% discount off the Competing Price per room per night.
2. A voucher equal to the difference between the original reservation rate and the Competing Price, which can be used during their stay.
